EGM (Extraordinary General Meeting)

The EGM has been added to the fixture due to the proposal for restructure and modernisation put forward by Mike Few at the AGM for this season. There was no opportunity or time for this discussion to happen at the AGM.

If you have not seen anything to do with this proposal, please either ask Mike Few, or find his post on the Bognor Darts Facebook group posted on 5th October 2026.

Mike says "It is important to note this is not a case of a take-over but more to start the ball rolling to help guide the league in a new more exciting direction with the input of everyone involved in the league. It is important for as many of the league to attend and voice their opinions too."

The committee is asking that ALL teams are represented at the EGM in some form, and as many players as possible are welcome. There will be a lot to talk about, so we will ask for complete silence when people are talking. The meeting may go on for some time.
