### 2026 LEAGUE RULES : UPDATES

#### RULE 12

Draw to be made for the Singles only. (*Both Captains may agree on the night not to do a draw for the singles. If they cannot agree, a draw must be done*). Pairs and Trebles players are at the Captains discretion. No player may play more than once in the Pairs and Trebles. Players' names must be written down in full (NO initials) on the result sheet, before the Singles matches start. Ditto for the Pairs and Trebles matches.

If a team wishes to play a player not in attendance at the time of the draw, they must put them on last, and still draw the other teams players at random. If the player does not turn up once all the other games have been played, then a substitute player must be played. If no substitute player is available, then the game is given away as a 2-0 loss to the other team. If the other player still wishes to play for an average and stats, they must draw a player at random to play, to a win or lose result as normal. Please note this game on the result sheet as the team points will only be 2-0. If a player is still not in attendance at the time of the Pairs and Trebles, either game can be played with a missing player, missing a score each turn.

#### RULE 17

If a team needs to postpone a match (under extreme circumstances), first the committee must be informed. If the committee allows the postponement of a match, the team must inform the other team, no later than midday on the day of the match. Each team gets 1 chance to postpone a match. They can either play a double-header on the return match (if postponed in the first half), or use the catch-up week. If this cannot be agreed, then the committee must be informed. They will then decide when the match will be played. In extreme circumstances a match may be played on another night of the week if both teams AND the committee agree. If not, and the catch-up week is already in use for them (for example, another team has postponed against them) then it's still a forfeit (see rule 20), even if it's not their fault. No match will be played after the last game of the season.

The Catch-up week can be used to cover any teams not able to field a team on 5/6/26 due to the England Open at Selsey, but please inform the committee before the start of the season if you need to do this.
